Purpose Statement

The purpose of this community effort is to create a Health Chapter in the City of Eau Claire's Comprehensive Plan to help improve human health relative to our built environment.

Chapter Process

Mark your calendars! The next meetings will be Thursday, October 18th; Tuesday, December 18th, and Thursday, January 31st, 2013. At the second meeting we will outline what issues need to be addressed in our community. The third meeting will be about forming action responses to meet those challenges; and the fourth meeting will be to evaluate the draft chapter before public hearings and ultimate adoption.
